

Compact Portable Shipping Scales for General Shipping Applications

Introducing the Courier 1000 Series Shipping Scales – a versatile line of lightweight, durable weighing equipment able to handle everything from general shipping applications for businesses to light weighing jobs for veterinary offices.

Unique Features:

- Its ultra-compact ABS plastic design combines light weight and durability. Courier scales are exceptionally easy to transport thanks to their integrated handles.
- Large 20 mm high display works with Dynamic Weighing mode to store data & ensure it is easily accessible when weighing packages and is also ideal for weighing small animals in veterinary use.
- Battery powered (not included) for use in the office or shop. AC adapter power included.
